

Downtown Joe's & Billco's Second Annual Golf Tournament at Kennedy Park on June 12, 2023

Dear Friends,

We hope you join us for the Downtown Joe's & Billco's Second Annual Golf Tournament on June 12, 2023. We have already secured Sponsors, so please contact us soon for the latest availability for sponsors. We are confident we will have 144 local golfers, many of whom are local business owners and other influential people. So, please, golfers, register early to secure your spot on a fun and relaxing day with community members while doing good. Last year at the Inaugural Golf Tournament at Chardonnay Golf Club on September 19, 2022, 104 golfers raised \$10,000 for Feeding It Forward. This year's goal is \$20,000.

With the support of our community, we provide food to Napa County's vulnerable population of older adults, veterans, children, families, and the working poor. Unfortunately, in Napa County, 1 in 10 adults and 1 in 5 children are food insecure, based on a study done in 2018, and most likely has increased due to the lingering effects of the pandemic, fires, and inflation.

We are requesting participation and donations to raise funds for a facility's operating cost, vehicle, and operational costs, i.e., compostable or environmentally safe packaging, food safety supplies, etc., to safely recover thru distributing the perishable food.

Here's how you can help by signing up!

- ❖ Donate goods, gift cards, wine, services, or experiences for our Silent Auction or Raffle
- ❖ Be a sponsor of the Event
- ❖ Sponsor a Hole at the Golf Tournament
- ❖ Play Golf! Put together a 4-some for our annual Golf Tournament/ Dinner Fundraiser
- ❖ Swag donations for our Attendee Goodie Bags
- ❖ Wine for Silent Auction (Magnums or large formats preferred) or Dinner Tables

Feeding it Forward (FIFNV) focuses on solving food insecurity and food waste in Napa County. FIFNV recovers excess perishable and prepared food from "food generators", such as restaurants, food markets, grocery stores, and festivals. After volunteers and staff pick up the food, it is safely transported and, if needed, stored and distributed to other organizations that focus on actively feeding Napa County residents. Clients who benefit from our recovery actions are affordable housing residents, farm workers, homeless shelters, and the working low-income. We pride ourselves in not duplicating the efforts of other non-profits but instead supporting them.

Additional financial information can be found on the GuideStar website at <https://www.guidestar.org/profile/83-2522637>.

Sincerely,

David Busby
